

# MCDC is Manchester's space for craft, community and making

We promote craft in all its forms, expanding the definition and relevance of craft for everyone. We nurture and develop emerging and established talent, support viable creative careers and showcase innovative and ambitious craft practices.

MCDC is a place of enterprise, production and creativity and reflects the rich diversity of Manchester's 21st century communities. We welcome everyone to experience and engage with making and our creative community. We safeguard a space for everyday creativity in the heart of the Northern Quarter and look outwards beyond our building.

## Our Values

All of our work will be developed through the lens of **equality** and **environmental sustainability**, which we will place at the heart of our decision-making.

We also aim to be **welcoming, transparent, supportive, empowering** and **vibrant**.
